

# Little Wewoka Supplemental Watershed Plan and Environmental Assessment for Dam Site 12 in Hughes County, Oklahoma

## Notice of Availability

### Document Review Period

A Supplemental Watershed Plan and Environmental Assessment (Plan-EA) and Finding of No Significant Impact (FONSI) have been prepared for the proposed rehabilitation of Little Wewoka Dam Site 12 located in Hughes County, OK. The proposed improvements are described in the Plan-EA document.

Beginning June 11, 2025, the Plan-EA and the FONSI documents, prepared by the Oklahoma Natural Resource Conservation Service (NRCS), will be available for viewing online at:

[littlewewoka12.nrcsdams.com](http://littlewewoka12.nrcsdams.com)

The documents are also available for review and copying at the Hughes County Conservation District Office at 419 E. Hwy St, Holdenville, OK 74848.
